## temperature trends

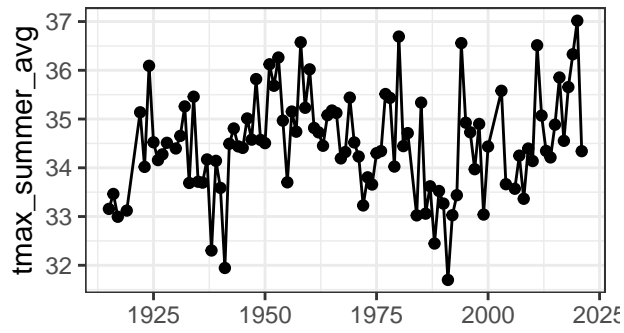

There are three versions of climate data: PRISM ([prism.oregonstate.edu](http://prism.oregonstate.edu)), NOAA, and the JRN climate data from the headquarters station.

JRN temperature trends:

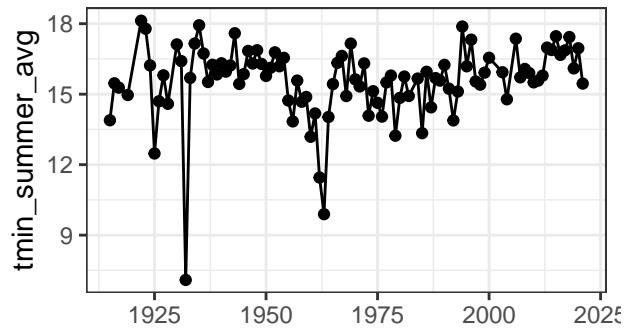

NOAA data:

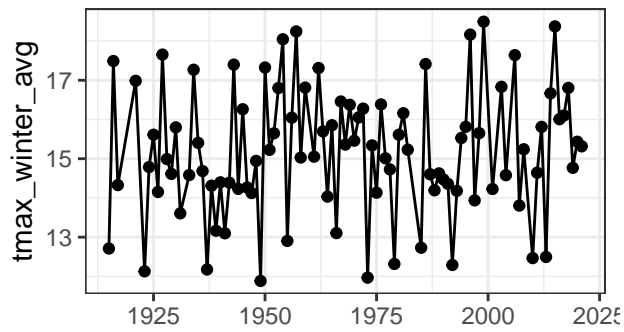

Avg daily high temp June–August

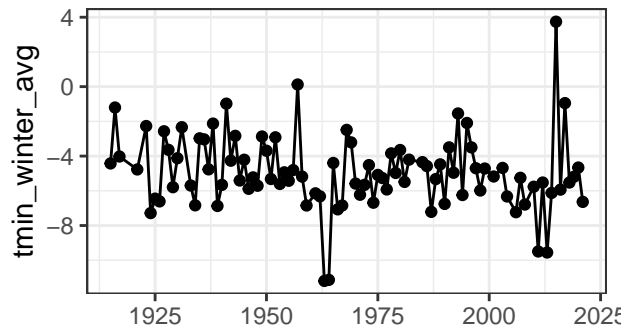

Avg daily low temp June–August

Avg daily high temp Jan–Feb

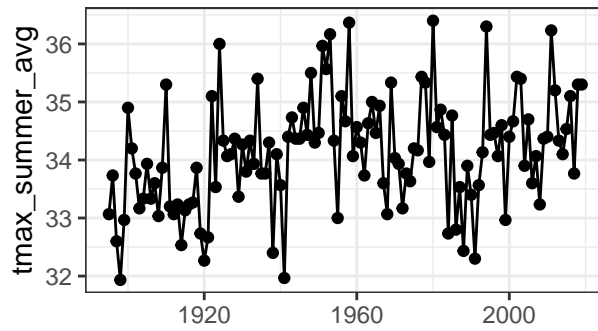

Avg daily low temp Jan–Feb

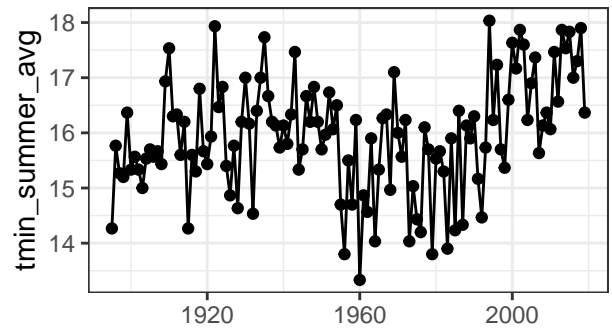

PRISM data:

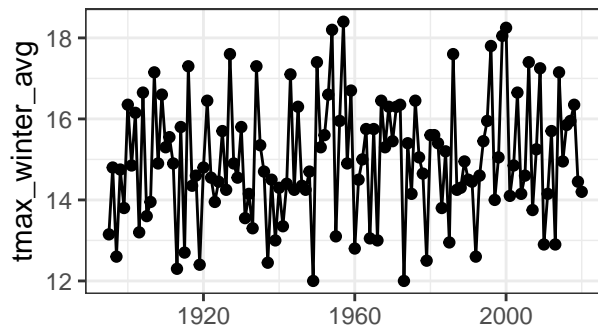

Avg daily high temp June–August

Avg daily low temp June–August

Avg daily high temp Jan–Feb

Avg daily low temp Jan–Feb
